CATHOLIC DEVELOPMENT FUND
DECLARATION OF COMMITTEE**

The Committee has determined that the Fund is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the Financial Statements.

In the opinion of the Committee, the financial report:

1. Presents fairly the financial position of the Catholic Development Fund as at 31 December 2022 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that the Catholic Development Fund will be able to pay its debts as and when they fall due.

Anthony Wheeler
Chairman CDF Committee

Gregory Russo
Executive Director, Finance and Administration

DATED at Perth this 30 May 2023

INDEPENDENT AUDITOR'S REPORT

To The Archbishop of Perth

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of The Archdiocese of Perth Catholic Development Fund (the Entity), which comprises the statement of financial position as at 31 December 2022, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial report, including a statement of accounting policies, and the Catholic Development Fund Committee's declaration.

In our opinion the accompanying financial report presents fairly, in all material respects, the financial position of the Entity as at 31 December 2022 and of its financial performance and its cash flows for the year then ended in accordance with the basis of accounting described in Note 1.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Entity in accordance with ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter - Basis of accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist The Archdiocese of Perth Catholic Development Fund to meet the requirements of The Roman Catholic Archbishop of Perth. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of The Catholic Development Fund Committee for the Financial Report

The Catholic Development Fund Committee is responsible for the preparation and fair presentation of the financial report, and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Roman Catholic Archbishop of Perth and for such internal control as the Committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

BDO Audit (WA) Pty Ltd ABN 79 112 284 787 is a member of a national association of independent entities which are all members of BDO Australia Ltd ABN 77 050 110 275, an Australian company limited by guarantee. BDO Audit (WA) Pty Ltd and BDO Australia Ltd are members of BDO International Ltd, a UK company limited by guarantee, and form part of the international BDO network of independent member firms. Liability limited by a scheme approved under Professional Standards Legislation.

In preparing the financial report, The Catholic Development Fund Committee is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

The Catholic Development Fund Committee are responsible for overseeing the Entity's financial reporting process.

Auditor's responsibilities for the audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website (<http://www.auasb.gov.au/Home.aspx>) at:

http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf

This description forms part of our auditor's report.

**ARCHDIOCESE OF PERTH
CATHOLIC DEVELOPMENT FUND
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022**

1. STATEMENT OF ACCOUNTING POLICIES

The Archdiocese of Perth Catholic Development Fund ("The Fund") is an interest-bearing capital fund of the Roman Catholic Archdiocese of Perth and the Dioceses of Geraldton and Broome established to support the charitable, religious and educational works of the Catholic Archdiocese of Perth and assisting the Diocese of Geraldton and Broome to achieve similar objects. The Fund is a basic religious charity and for the purposes of preparing the financial statements, is a not-for-profit entity.

The Fund's principal activity is the acceptance of deposits from parishes, schools, religious organisations and individuals and the provision of loans to parishes, schools, religious orders, and other Catholic bodies which either fall under the control of the Catholic Archbishop/Bishop or are a recognised Juridic entity.

The financial report is a special purpose financial report prepared in order to satisfy the reporting requirements of the Roman Catholic Archbishop of Perth.

The Archbishop, together with the members of the Catholic Development Fund (CDF) Committee, has determined that the Fund is not a reporting entity.

The Fund has adopted all the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations.

The report has been prepared in accordance with the disclosure requirements of the following Australian equivalents to International Financial Reporting Standards and Australian Accounting Interpretations:

AASB 101:	Presentation of Financial Statements
AASB 107:	Cash Flow Statements
AASB 108:	Accounting Policies, Changes in Accounting Estimates and Errors
AASB 1048:	Interpretation of Standards
AASB 1054:	Australian Additional Disclosure

The report is also prepared on an accruals basis and is based on historic costs, unless otherwise stated.

The accounting policies are consistent with the previous period.

**ARCHDIOCESE OF PERTH
CATHOLIC DEVELOPMENT FUND
NOTES TO AND FORMING PART OF THE ACCOUNTS (CONT'D)
FOR THE YEAR ENDED 31 DECEMBER 2022**

1. STATEMENT OF ACCOUNTING POLICIES (CONT'D)

a) Provisions

Provisions are recognised when the Fund has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount has been reliably established.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

b) Employee Benefits

Short term employee benefits

Short-term employee benefits are benefits, other than termination benefits, that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service, as the fund does not have the right to defer settlement. Examples of such benefits include wages and salaries, non-monetary benefits and accumulating sick leave. Short-term employee benefits are measured at the undiscounted amounts expected to be paid when the liabilities are settled.

Other long term employee benefits

The Fund's liabilities for long service leave are included in non-current provisions when the Fund does not expect settlement wholly within 12 months after the end of the period in which the employees render the related service.

They are measured at the present value of the expected future payments to be made to employees. The expected future payments incorporate anticipated future wage and salary levels, experience of employee departures and periods of service, and are discounted at rates determined by reference to market yields at the end of the reporting period on high quality corporate bonds that have maturity dates that approximate the timing of the estimated future cash outflows. The provision for long service leave covers all employees with one or more years of service.

Any re-measurements arising from experience adjustments and changes in assumptions are recognised in profit or loss in the periods in which the changes occur.

Defined contribution plans

The Fund pays fixed contributions into independent entities in relation to several state plans for individual employees. The Fund has no legal or constructive obligations to pay contributions in addition to its fixed contributions, which are recognised as an expense in the period that relevant employee services are received.

c) Income Tax

The Fund is exempt from income tax by virtue of Section 50 (15) of the *Income Tax Assessment Act 1997*.

**ARCHDIOCESE OF PERTH
CATHOLIC DEVELOPMENT FUND
NOTES TO AND FORMING PART OF THE ACCOUNTS (CONT'D)
FOR THE YEAR ENDED 31 DECEMBER 2022**

1. STATEMENT OF ACCOUNTING POLICIES (CONT'D)

d) Plant and Equipment

Each class of plant and equipment is carried at cost or fair value as indicated, less, where applicable, any accumulated depreciation and impairment losses.

The cost of fixed assets includes the cost of materials, direct labour, borrowing costs and an appropriate proportion of fixed and variable overheads, where applicable.

Subsequent costs are included in the plant and equipment's carrying value or recognised as a separate asset when it is probable that future economic benefits associated with the item will be realised and the cost of the item can be measured reliably. All other repairs and maintenance are recognised in profit or loss.

Depreciation

The depreciable amounts of all fixed assets are depreciated on a straight-line basis over the asset's useful life commencing from the time the asset is held ready for use.

The estimated useful lives used for each class of depreciable assets are:

Class of Fixed Asset	Useful Life
Plant and Equipment	1-10 years

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the Statement of Profit or Loss and Other Comprehensive Income.

Fixed assets are derecognised and removed from the statement of financial position on disposal or when no future economic benefits are expected.

e) Revenue

Interest income is recognised on a time proportion basis using the effective interest method.

All revenue received arises from the operating activities of the financial institution.

Revenue is recognised at an amount that reflects the consideration to which the group expects to be entitled in exchange for transferring services to a customer. Revenue and expenses are recognised on an accruals basis.

Based on the nature of the Fund's operations, the Fund does not have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, the Fund does not adjust any of the transaction prices for the time value of money.

**ARCHDIOCESE OF PERTH
CATHOLIC DEVELOPMENT FUND
NOTES TO AND FORMING PART OF THE ACCOUNTS (CONT'D)
FOR THE YEAR ENDED 31 DECEMBER 2022**

1. STATEMENT OF ACCOUNTING POLICIES (CONT'D)

e) Revenue (Cont'd)

Dividends

Dividends are received from financial assets measured at fair value through profit or loss ("FVPL"). Dividends are recognised when the right to receive payment is established. Dividend income is included within 'Investment' income.

f) Trade and other payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Fund during the reporting period which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

g) Working Capital deficiency

As of 31 December 2022, the Catholic Development Fund had a working capital deficiency of \$292,518,432 (2021: \$ 260,157,974). A working capital deficiency is considered normal for the Fund as it arises due to the Fund's business model of borrowing on a short-term basis (creating current liabilities) and lending on a longer-term basis (creating non-current assets). The Catholic Development Fund does not consider the deficiency as indicative of any concerns in respect of its ability to pay its debts as and when they fall due.

h) APRA Exemption

The CDF does not hold an Australian Financial Services Licence and is not required to hold such Licence. The CDF relies on the following exemption from the ASIC Instrument (Charitable Investment Fundraising) Instrument 2016/813):

- Exemptions under sections 5(1) and 5(2) of the ASIC Instrument.

The CDF also operates under a class exemption from holding a Banking Licence under Banking Exemption No. 1 of 2021 – Religious Charitable Development Funds – Banking Act 1959 issued by Australian Prudential Regulation Authority (APRA).

The CDF has received advice and has implemented appropriate policies, practices and procedures to ensure that all relevant conditions of the exemptions are met. Such policies are revised and reviewed on a regular basis to ensure ongoing compliance.

i) Cash and Cash Equivalents

For cash flow statement presentation purposes, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions and bank overdrafts. For statement of financial position presentation purposes, cash includes cash on hand and bank bills/notes (financial assets) at call with financial institutions.

**ARCHDIOCESE OF PERTH
CATHOLIC DEVELOPMENT FUND
NOTES TO AND FORMING PART OF THE ACCOUNTS (CONT'D)
FOR THE YEAR ENDED 31 DECEMBER 2022**

1. STATEMENT OF ACCOUNTING POLICIES (CONT'D)

j) Financial Instruments

Recognition and derecognition

Financial assets and financial liabilities are recognised when the Fund becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted by transactions costs, except for those carried at fair value through profit or loss, which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities are described below.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and substantially all the risks and rewards are transferred. A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

Classification and initial measurement of financial assets

Financial assets are classified according to their business model and the characteristics of their contractual cash flows and are initially measured at fair value adjusted for transaction costs (where applicable).

Loans and receivables are included in current assets, except for those which are not expected to mature within 12 months after the end of the reporting period. All other loans and receivables are classified as non-current assets.

Subsequent measurement of financial assets

For the purpose of subsequent measurement, financial assets, other than those designated and effective as hedging instruments, are classified into the following categories upon initial recognition:

- Financial assets at amortised cost
- Equity instruments at fair value through other comprehensive income (FVOCI).

All income and expenses relating to financial assets that are recognised in profit or loss are presented within interest income or interest expenses, except for impairment of receivables (including loan receivables) which is presented within net impairment losses expense.

Financial assets at amortised cost

Financial assets are measured at amortised cost if the assets meet the following conditions (and are not designated as FVPL):

- They are held within a business model whose objective is to hold the financial assets and collect its contractual cash flows.

**ARCHDIOCESE OF PERTH
CATHOLIC DEVELOPMENT FUND
NOTES TO AND FORMING PART OF THE ACCOUNTS (CONT'D)
FOR THE YEAR ENDED 31 DECEMBER 2022**

1. STATEMENT OF ACCOUNTING POLICIES (CONT'D)

j) Financial Instruments (Cont'd)

Financial assets at amortised cost (Cont'd)

- The contractual terms of the financial assets give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial recognition, these are measured at amortised cost using the effective interest method. Discounting is omitted where the effect of discounting is immaterial.

The Fund's cash and cash equivalents, trade and loan receivables, and most other receivables fall into this category of financial instruments as well as bank bills/notes that were previously classified as held-to-maturity under AASB 139.

Equity instruments at fair value through other comprehensive income (Equity FVOCI)

Investments in equity instruments that are not held for trading are eligible for an irrevocable election at inception to be measured at FVOCI. Under this category, subsequent movements in fair value are recognised in other comprehensive income and are never reclassified to profit or loss.

Dividend income is taken to profit or loss unless the dividend clearly represents return of capital.

The Fund's investment in equity instruments (recognised under Financial Assets at Fair Value through Other Comprehensive income in the Statement of Financial Position) fall into this category of financial instruments.

Impairment of financial assets

AASB 9's impairment model uses more forward-looking information to recognise expected credit losses - the 'expected credit losses (ECL) model'. The application of the impairment model depends on whether there has been a significant increase in credit risk.

The Fund considers a broader range of information when assessing credit risk and measuring expected credit losses, including past events, current conditions, and reasonable and supportable forecasts that affect the expected collectability of the future cash flows of the instrument.

In applying this forward-looking approach, a distinction is made between:

- Financial instruments that have not deteriorated significantly in credit quality since initial recognition or that have low credit risk ('Stage 1') and
- Financial instruments that have deteriorated significantly in credit quality since initial recognition and whose credit risk is not low ('Stage 2').

'Stage 3' would cover financial assets that have objective evidence of impairment at the reporting date.

**ARCHDIOCESE OF PERTH
CATHOLIC DEVELOPMENT FUND
NOTES TO AND FORMING PART OF THE ACCOUNTS (CONT'D)
FOR THE YEAR ENDED 31 DECEMBER 2022**

1. STATEMENT OF ACCOUNTING POLICIES (CONT'D)

j) Financial Instruments (Cont'd)

'12-month expected credit losses' are recognised for the first category while 'lifetime expected credit losses' are recognised for the second category. Measurement of the expected credit losses is determined by a probability-weighted estimate of credit losses over the expected life of the financial instrument.

Loan receivables and other receivables (accrued interest)

The Fund applies the 12-month expected credit losses approach in the accounting for receivables, including loan receivables. This is on the basis that the Fund's loan portfolio has been assessed at Stage 1 of the ECL model. The Fund assesses impairment of loan receivables on a collective basis, based on the type of loan category to which the receivable relates. This is on the basis they possess similar credit risk characteristics.

The Fund has determined that loan receivables, with the exception of one balance, has appropriate and sufficient security in place under the respective loan terms and conditions, which mitigates, in full, any credit risk exposure associated with these loan receivables. As a result, the Fund has determined the 12-month expected credit losses associated with the one balance, noted above.

All financial assets, except for those at fair value through other comprehensive income (equity FVOCI), are subject to review for impairment at least at each reporting date to identify whether there is any objective evidence that a financial asset or a group of financial assets is impaired.

Classification and measurement of financial liabilities

Financial liabilities, including trade and other payables and deposits, are initially measured at fair value, and, where applicable, adjusted for transaction costs unless the Fund designated a financial liability at fair value through profit or loss.

Subsequently, financial liabilities are measured at amortised cost using the effective interest method.

k) Significant accounting estimates, judgements and assumptions

The preparation of the financial statements requires management to make estimates, judgements that affect the reported amounts of assets, liabilities, revenue and expenses.

The Fund makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom exactly equal the related actual results. The following key estimates and assumptions have been applied by the Fund.

Impairment loss of financial assets

The determination of the impairment loss recognition of financial assets includes assumptions and estimates in relation to the application of the expected credit loss model.

**ARCHDIOCESE OF PERTH
CATHOLIC DEVELOPMENT FUND
NOTES TO AND FORMING PART OF THE ACCOUNTS (CONT'D)
FOR THE YEAR ENDED 31 DECEMBER 2022**

1. STATEMENT OF ACCOUNTING POLICIES (CONT'D)

- k) Significant accounting estimates, judgements and assumptions (Cont'd)
The application of this method requires management to assess the credit risk of each financial asset, including assessing whether there has been a significant increase in credit risk since initial recognition.

Where required, determining the expected credit loss requires the use of estimates and assumptions, with the most significant being the assessment and probability weighted estimate of default, including the expected default and loss rates based upon past history, existing market conditions, as well as forward looking estimates.

2. SEGMENT REPORTING

The Fund operates in one industry segment being the provision of financial services and one geographical segment being Australia.

These loans are secured as noted below:

- (i) This represents the net amount due at 31 December 2022 in respect to various loans owing to the CDF from the Catholic Archdiocese of Perth. The repayment of this amount is supported by the assets of the Archdiocese.
- (ii) The repayment of these loans is secured by real property, cash and by the assets of The Roman Catholic Archbishop of Perth.
- (iii) These loans are supported by deposits made by the borrowers and secured by mortgages, letters of comfort and fixed and floating charges, except for St Thomas More College loan which is unsecured (loan balance at 31 December 2022 amounted to \$10,127,394).
- (iv) The repayment of these loans is secured by real property, cash and by The Roman Catholic Bishop of Geraldton.
- (v) The rate charged to borrowers is the CDF loan benchmark rate determined by the CDF Committee.
- (vi) Management has determined that the provision for impairment of loans receivable at 31 December 2022 is \$51,125 (31 December 2021: \$35,000).
